M Saidul Islam Sabbir

Senior Visualizer

I am excited about the Senior Visualizer role at LEND. With a growth-focused Visualizer with a solid foundation of twelve years in the industry, I am confident in my ability to deliver exceptional visual solutions that align with your company's objectives. Throughout my career, I have had the privilege of working with diverse clients and agencies, allowing me to hone my skills in various mediums, including web, print, and social media. I possess a keen eye for aesthetics, an innate understanding of color theory and composition, and a strong command of industry-standard design tools and software. Please take a look at my portfolio:
